

Fill a Pack, Fill a Need - This drive aims to fill backpacks with new clothing, toiletries, and comfort items. We provide both the backpacks and a shopping list. Packs of Hope has the ability to make flyers and/or posters for your drive. Please reach out to us if you would like us to make you a flyer that you can print and use.

Here's how the drive is organized:

1. Set a start date and an end date for your drive.
2. Decide how many backpacks you will need.
3. Arrange a delivery date with Packs of Hope.
4. We will deliver the backpacks along with the shopping lists that include the return date.
5. Inform all participants about when to pick up the backpacks and when and where to return them.
6. Distribute the backpacks and shopping lists to the participants.
7. Participants can select an age and gender of a child to shop for, using the shopping list to find suitable items for their backpack.
8. After shopping, participants should fill their backpacks with the items purchased and return them on the agreed-upon date.
9. Arrange a pickup date with Packs of Hope for the filled backpacks.
10. We will come to pick up the filled backpacks.

Thank you for your support!
