

Toiletry Bag Donation Drive and Assembly - Your donation is a valuable gift to us and the children we serve. Assembled toiletry bags save our volunteers valuable time. We're grateful for your generosity in donating and assembling these bags.

Here's how to organize this project:

1. Select items from the toiletry list below to be collected. Choose an age group for your donations: babies, toddlers and children, or pre-teens and teens (you can also collect for all groups).
 - Babies – Baby Shampoo and Baby Lotion
 - Toddlers and Children – Children's Shampoo, Children's Toothbrush, Children's Toothpaste, and a brush or a comb
 - Pre-Teen and Teen – Travel-sized Shampoo and Conditioner, Soap, Deodorant, Toothbrush, Toothpaste, and a brush or a comb
2. Set a start date and an end date for the drive.
3. Choose a location for collecting donations.
4. Promote your drive to raise awareness.
5. Gather all collected donations.
6. Sort the items by age group.
7. Create toiletry bags with appropriate items for each age group:
 - **Babies:** Baby shampoo and lotion
 - **Toddlers and Children:** Children's shampoo, children's toothbrush, children's toothpaste, and a brush or comb
 - **Pre-Teens and Teens:** Travel-sized shampoo and conditioner, soap, deodorant, toothbrush, toothpaste, and a brush or comb
